Push to open meccanico
Mechanical push to open

Click è un sistema push to open meccanico progettato per ante pesanti prive di maniglia, ideale per soluzioni d'arredo moderne e minimaliste. Garantisce un'apertura pratica e affidabile con una semplice pressione, migliorando comfort e funzionalità. È disponibile un apposito distanziale per mobili con ante in luce, che ne facilita l'installazione e assicura un perfetto allineamento.

Click is a mechanical push-to-open system designed for heavy handleless doors, ideal for modern and minimalist furniture solutions. It ensures reliable and easy opening with a simple push, enhancing both comfort and functionality. A dedicated spacer is available for furniture with inset doors, allowing easier installation and precise alignment.
